**FOR DANDRUFF, FALLING HAIR OR ITCHY SCALP--25 CENT DANDERINE**

**GIRLS! GIRLS! SAVE YOUR HAIR! MAKE IT GROW LUXURIOUS AND BEAUTIFUL.**

If you care for heavy hair, that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine.

Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff; you can not have nice, heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots furnish, loosen and die; then the hair falls out fast.

If your hair has been neglected and is thin, faded, dry, scraggy or too oily, get a 25 cent bottle of Knowlton's Danderine at any drug store or toilet counter; apply a little as directed and ten minutes after you will say this was the best investment you ever made.

We sincerely believe, regardless of everything else advertised, that if you desire soft, lustrous, beautiful hair and lots of it--no dandruff--no itching scalp and no more falling hair--you must use Knowlton's Danderine. It eventually--why not now?

Hence it is that, while piercing the forest and raising up our magnificent cities and towns, while cultivating our enormous fields and farms for the nourishment and food of the world while harnessing the lightning and linking our most distant shores with bands of steel, and booming all our marvelous manufacturing interests—in a word, while spending ourselves for the material advancement of our nation—the ideals of Catholic patriotism have inspired and accomplished seeming miracles for the intellectual and spiritual progress of our country."
